

Creating an Search Bar that auto-populates all the products that are available

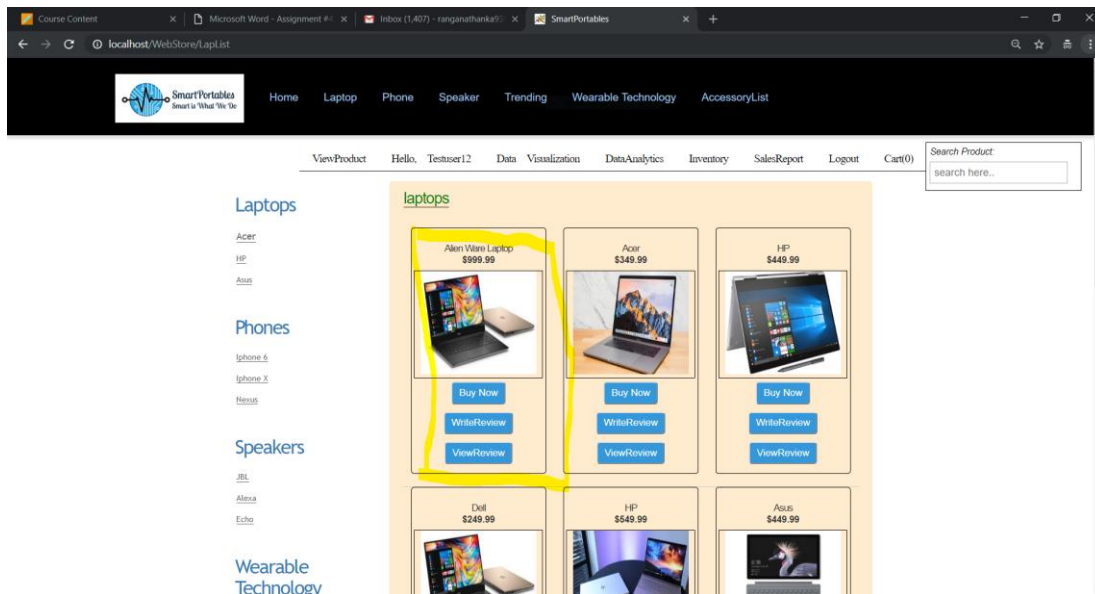

Selecting Sony Xperia from Search results

Adding a New Product as Store Manager:

The screenshot shows the 'Add Product' form in the SmartPortables application. The form is titled 'Add Product' and contains several input fields: Product Type (Laptop), Product (Alienware Laptop), Product Id (A1), Product Name (Alien Ware Laptop), Product Price (999.99), Product Image (laptop4.png), Product Condition (New), and Product Discount (15). The left sidebar shows navigation links for Laptops, Phones, Speakers, Wearable Technology, and AccessoryList. The top navigation bar includes links like ViewProduct, Hello, Testuser12, Data, Visualization, DataAnalytics, Inventory, SalesReport, Logout, and Cart(0).

	ProductType	id	productName	productPrice	productImage	productCondition	productDiscount	inventory
	laptop	Dell_3	Dell 3	549.99	laptop10.png	New	10	5
